

# WORKSHOP *Invitation*

**JOIN US FOR A FREE CLINICAL WORKSHOP - LIGHT LUNCH PROVIDED**

**Date:** 1st May 2018

**Time:** 9.30am to 3.00pm (registrations start at 9.00am)

**Location:** City West Receptions

45 Plaistowe Mews West Perth WA 6005

## *Assessment Strategies for Wheelchairs & Seating Systems*

**Real World Meets Reality - How to navigate in these exciting times**

### *Content Overview*

This workshop provides valuable information to participants newer to the assessment, prescription and funding processes of seating and wheelchair prescription - or those wishing to have a bit of a new look at seating evaluation.

Designed with NDIS changes ahead, every attendee will learn the skills necessary to effectively perform seating and mobility assessments, troubleshoot existing seating systems and use these skills to assist clients in selection of appropriate seating and mobility technology maximizing health, function and participation.

With a combination of lecture, live demonstration and hands-on labs, you will leave this course with the ability to confidently assess and prescribe seating/mobility systems which promote comfortable, attainable & functional postures.
